Leave to Sri. S.R. Iyengar Draftsman of the Dept. of Archaeology

Letter No. 305, dated 24.8.1951 from the Director of Archaeology in the matter

2(1) The Director of Archy (Dte) reports that Sri. S.R. Iyengar was kept under suspension by the Ag. Director with effect from 25.10.1950 and that no report appears to have been made by Govt. in the matter. In fact no report was received from the Ag. Director of Arch. when the Official was kept under suspension from 25.10.1950.

2(2) The Director of Arch. further states that as the Draftsman represented his hardship due to suspension for over a month and promised to abide by the rules he was permitted to return to duty. He further states that the concerned records have already been sent to Govt. along with his letter dated 15/27/1950.

had rightly kept him under suspension which has now been lifted Now the question is as to how to treat this period of suspension from 25-10-50 to 1st Dec 1950 when he was permitted to return to duty.

There is another point also for consideration and it is this whether actual "oral" permission had been given to this draftsman and if so, why he had been punished and also why this draftsman represented that he would abide by the Service Conduct Rules. It appears as though this draftsman's plea for obtaining "oral" permission appears to be only a pretext to get the suspension order Cancelled and has appear to be nothing but a pretension or 'truth'. However, the views of the Public Service Commission may be Called for as to how this period has to be treated and whether necessity to this draftsman will be exempted.
